Thanks Flock team! (Moving you to BCC).

Hey Michael, I'm the commercial rep here in SoCal. Please feel free to share my contact info as needed. Alternatively, if there is anyone in particular it would be helpful for me to reach out to, please let me know.

Here are some info sheets you can review and share (option to download as a PDF in the top left corner):
Condor Overview.pdf
Falcon LPR Overview.pdf

Feel free to give me a call if you want to connect and discuss further. My direct number is 415-968-1294.

Best, Sara

We have some businesses that may be interested in Condor and we wanted to be able to give them a contact in case they have some questions or demos etc… Additionally do you have some pamphlets or handouts that we may pass along to our community about Condor cameras?
